The last of us remastered collectible guide release schedule 2020

Get it now at PlayStation Store. We’re continually in awe of the level of thought and care that goes into representing our characters, which is why, last year, we wanted to share our support by releasing an official cosplay guide for Ellie. For The Last of Us Day, we wanted to take that final parting image of the boat washed ashore with the waves gently rolling onto the beach and make it into a dynamic system theme, so that you can enjoy it anytime you load up your PS4 system --and we’re making it available to everyone for free. To enter, all you have to do is capture your masterpiece in The Last of Us Part II’s Photo Mode and share it with us via NaughtyDog.com/ugc and include your name, address, and date of birth between Thursday, October 1 12:01am PT and Thursday, October 29 11:59pm PT. We can’t wait to see what you create! We’ve covered a lot here, but we have a few other things up our sleeves for tomorrow’s The Last of Us Day festivities. Sculpted and painted by Masato Ohata, these two individual figures of Ellie and Joel stand at 1/9th scale and can be displayed individually or adjoined to form a unified scene. Existing The Last of Us merch not added for The Last of Us Day will be discounted up to 40% on PlayStation Gear Store and PlayStation Store will be hosting a The Last of Us Day Sale with a 50% discount on The Last of Us Remastered, The Last of Us: Left Behind, and select The Last of Us Remastered Factions Bundles all weekend. A special Hunter Version offers everything in the Stealth Edition, but features a special paint finish.
